

April 07, 2011

Hi Members,

The temperature this morning is 4 degrees C and there is about 3 feet of snow at the back of the courts. By the time you receive your Membership package, I hope the courts are open and many of you will have already played some tennis at WLTC. Our official opening day is May 1<sup>st</sup>, 2011 but check the website below for further information on when we will have some courts available.

### **MEMBERSHIP FEES**

Due to many requests from our members, for evening tennis in October, we have officially extended the regular hours from September 30<sup>th</sup> to October 14<sup>th</sup> (please see hours of operation on the Club information sheet). Membership fees have been increased by approximately 3% and GST is again included to smooth out the registration process.

### **CLUB PROFESSIONAL**

Your Board of Directors are pleased to announce that Rob Langan will be returning as the Head Tennis Pro for the 2011 season. Rob will be home from France May 14<sup>th</sup> and will be on site on May 16<sup>th</sup>, 2011. Rob will be responsible for running tournaments, organizing leagues, providing lessons and meeting the day to day requirements of our members.

### **LEAGUE PLAY**

The club is planning a number of leagues (Men's, Women's and Mixed) this season as well as ladders and inter-club tennis. Check the postings courtside and on the website at [www.wltc.info](http://www.wltc.info). In recent years several of our leagues have become very popular and have served as a great way for members of all levels to meet and compete with one another. In order to ensure that some courts are always available for drop-in games, the board has directed that leagues be limited to a maximum of eight reserved courts. Rob Langan informed the board that he has had to refuse members request for lessons on Tuesday and Thursday evenings as he did not have a court available until 8:00 pm. On a trial basis, the board has agreed to provide one reserved court for Rob until 7:00 pm to provide lessons for members only.
